Dear Mr Scott

PRIMA FACIE EVIDENCE OF JUDICIAL WRONGDOING

I write with regards to the above subject and your letter regarding recent criminal proceedings involving Mr Robert Green. It is my understanding and is confirmed in your letter that Mr Green has raised this matter directly with the Judicial Office for Scotland which has provided Mr Green with a response to his questions and concerns.

Mr Green has communicated his concerns previously to Officers of Police Scotland and suitable advice was provided to him at this time.

As these matters are of a private nature to Mr Green and do not relate directly to yourself, I am unable to discuss these circumstances further with you.

Yours sincerely

Alexander Dowall
Detective Chief Inspector
